1984 Phoenix Olympiad

Hi Dave.
Thanks for letting me be the only person to sign your book. I feel privileged. You are the sweetest guy I've met in the past four years. To Bad I just got to know you this year. Its really to bad we have to leave now. Not really I'm so glad to be out. Well its been a great time but great times have to end to start new times. Thanks for being a great friend and Don't forget your favorite teacher Mr. Drouin, I'm sure he'll miss you and me both. HAHA. Well have to party together this summer at the lake or at one of our parties Give me a call. I'll call you for my B-day Party OK.

Love
Always,

Dave,
You are one
of the craziest
guys I know.
You and John are always
tripping me. Sweating each other
time during advanced math class.
"Love was always something to tease you about.

Bye for now.

Rufus King Holds Olympic Spirit

This year the Phoenix celebrates an occurence that has special meaning to Rufus King High School; 1984 will see the 690th set of Olympic games.

The first Olympics was considered to have been a footrace in 776 B.C. at Olympia in Ancient Greece. The games evolved into great religious, athletic and intellectual ceremonies. They held such importance for the Greeks that Wars were interrupted for the celebration of the games.

The Greeks held that the glory of the human mind and body were brought out through discipline and competition. These were not simply tests of physical speed, strength, grace and agility, the mind competed as well. Contests in eloquence, music, poetry and the arts thrived; equaling the athletic games in importance. Victors were awarded an olive branch that symbolized the vitality of this tree, sacred to the Greeks. Moral not material value of the prize was considered important.

The Olympic games were important to Rufus King High School for we live in the Olympic spirit. Rufus King personifies the values and goals of these ancient games that are now recognized and respected around the world.

Rufus King strives to develop both body and mind through the Olympic tradition of discipline, competition, and a struggle for excellence. The High School career is an Olympiad in itself, four memorable years of competing for recognition, excellence and satisfaction in one's own performance and development.

Just as competitors traveled from all over Ancient Greece to test and to train for qualification in the Olympics, the students at Rufus King make every effort to participate in these four years of competition which will render them strong human beings, able in body and mind. Our olive branch is a diploma, a symbol of the stature we have achieved in our Olympiad at Rufus King.

King Earns National Award

Rufus King School for the College Bound was one of three Wisconsin schools receiving recognition awards from the White House. Although the awards were announced in early July, the official presentation was made in late September.

Andre' Ptak, King's principal, along with Dr. Lee McMurrin, Milwaukee's Superintendent of Schools, and Doris Stacy, president of the School Board, traveled to Washington to accept the award and banner.

The award, announced by Secretary of Education Terrance Bell, is for meeting academic and behavior goals, maintaining order and discipline, setting high expectations of students, teacher efficacy and positive school environment.

That the award indicates public schools are doing a good job and that King has really won a national championship in education were two points stressed by Dr. McMurrin in a program September 30th at which the award was presented to King's student body, teachers, and support staff.

A total of 144 schools nationwide received the awards. Other Wisconsin schools receiving the award were Webster Middle School in Cedarburg and Eau Claire Memorial High School in Eau Claire. Almost 400 schools were entered in the four-month competition.

EXCELLENCE IN EDUCATION--Rufus King High School for the College Bound was one of 144 public, private and middle schools in the nation to receive national recognition for exemplary instruction by the U.S. Dept. of Education. King is a city-wide specialty school for those planning on attending college. The award was presented to the school in Washington D.C. Sept. 28, and to the student body in an assembly at the school two days later (photo by Harry Kemp).

Sports Thrive At King

The modern Olympic games are a two season, worldwide event, but they had their humble beginnings perhaps more than 3000 years ago. They began as a simple religious ceremony in Olympia, Greece, to honor Rhea, the Greek's "Mother Earth." The first recorded Olympics was a 200 yard foot race run in 776 B.C. The Olympic idea rapidly spread and flourished until the set of games was perhaps the most important event in Greek life. Every four years people from all over Greece and the Mediterranean world flocked to Olympia for these tests of physical and mental strength and agility. After 776 other events were added: more and longer footraces, boxing, wrestling, the pentathelon, contests for hereldry and trumpeting etcetera. There were also competitions in poetry, music, drama and art; these were considered just as important as the physical competitions. The Greeks believed that man's unique potential could be realized by perfection and grace in the body and a rational, brilliant mind. Winners of all competitions were awarded a sprig or wreath of olive branches, a tree sacred to the greeks. It was believed that the vitality of this tree was transmitted to its recipient.

Women were not allowed to be present at the games under penalty of death. The first record of a woman attending the games is that of the 128th Olympiad when a woman won a chariot race. The games reached their apex in granduer and popularity during the Age of Pericles, circa 500 b.c., with the rise of the Roman Empire and the spread of Christianity however, came the games' downfall; the Christians held no value in man's earthly condition and the Romans turned the games into bloody, violent pagon carnivous.

1896 saw a revival of the games and the Olympic spirit in Athens, Greece. Their size and popularity quickly grew and spread; they have been held every four years since 1896 except during World Wars I & II. Today the games include: Track and field, swimming, diving, weight lifting, figure and speed skating, nordic and alpine skiing, bobsledding, toboggoning, ice and field hockey, canoeing, yachting, shooting, pentathalon, basketball, soccer, volleyball, water polo, rowing, gymnastics, wrestling, boxing, judo, cycling, fencing and equestrian sports.

Hold On To Your Dreams

With the coming of spring, Rufus King held their annual Prom on May 20, 1983. The gala event took place in the Blue and Gold Room of the Marc Plaza. It proved to be a fitting and beautiful setting for the event, entitled "Hold On To Your Dreams." Both Junior and Senior classes were in attendance, and elected Tom Waters for their King and Bridget Bunn for their Queen. Other members of the court included Vicki Williams, Faith Brown, Alicia Litzau, Pam Moore, Wayne Porter, Peter Balesteri, Joe Jackson and Robert Hackett.

Although the festivities at the Plaza had to end at midnight, the Prom proved to be a success. A few couples stayed late to dance to the music of the band "Eruption." Altogether the event was enjoyed by all.

Of Magic And Enchantment

It was April, during the spring of 1983, when a small group of King students lost their true identities. No longer were they high school students. Glitter covered their bodies. Eyes were painted, and faces masked. Then together, for three magic nights, they created the illusion of PIPPIN upon the stage. Just three nights, and then the players disappeared.

The musical comedy was a challenge, and one that was met with excellent results. The cast itself enjoyed the show, making the most of one of the most creative musicals a group can perform.

PIPPIN is based upon the life and times of King Charlemagne's son, in the year 800 B.C. Throughout the musical, Pippin searches for his own identity in a world corrupted by evil. The show was directed by David T. Mackinson and choreographed by Debra Jupka. The cast included a band of players from which the following leads emerged; Anthony Herrel as leading player, Jonathan Ellwanger as Pippin, Doug Love as Charlemagne, Lisa Nemecheck as Fastrada, Sharon Brooks as Catherine and Christy Brown as Berthe. Catherine's son Theo was played by Marquette Stankowski. All together, the production was a hit.

Reggie Wilson leads the players into "Glory."

"An Unheralded King Team"

The Cross Country Team battling extreme temperature defences, developed character, and built a strong foundation for the future. Led by George Weinaman, Ray Ramsey, Dave Ruiz, and Bob Fogarty, King placed third in several varsity meets. The young team was made up of primarily sophomores and Lise Vansen was the only female runner to compete. Josh Zepnick, Andrew Fleury and Matt Hanrahan proved to be outstanding first year runners. Coach Gordon sees the makings of a championship team in the near future.

Girls Varsity Soccer Goes For The Gold

The Girl's Varsity Soccer Team ended a competitive season with a 10, 2 and 1 record. Under a new head coach, Mr. O'Neal, the powerful and offensively minded team finished third in a very tough conference. Rival foes South Division, Custer, Pulaski, and Conference champs, Hamilton, brought out the best in our young team. Sophomores Jane Scripp, and Sarah German, played well on offense and defense respectively. First year player Gillian Westbrook guarded the goal with quickness and determination. The season which began on March 15 proved to be Maria Williams and Amy McBride's best. Both players were named All-Conference. Maria Williams, Wendy O'Connor and Marcy Dawson, intimidated opposing offenses and left our speedy halfbacks to do some speedy running and heavy scoring. Aimee Penkowski, Jane Scripp, and Cecily Mulroy were the leading scorers. This year coach O'Neal feels the team will be much stronger and should take over first place. With many varsity players returning, and younger stars developing, King's Girls Soccer team is building a sound foundation which dominate the suburban conference for the next few years.

King Football Kicks Into The Season

During the first four games of the year before key injuries to John Barton and Spikey Edwards, the Generals showed to be tough competition for opponents, losing to Messmer 3-0, Shorewood 11-3, and giving Conference Champions Wauwatosa West a scare with a 14-0 loss.

Though the Generals were only outscored from they're opponents by a total of 11 points, considering they're record.

The King defense showed extreme defensive improvement by allowing only 6 points in the first half of the 9 games.

King's team ended the season well with a 4-5 record, considering the loss of two major players due to injuries.

Hadrien Moore and Scott Felber were both voted to the all conferance team.

The J.V. team did extremely well this year. Bringing in the first winning season in many years, these players will add to the varsity in years to come.

Coming Home

The Generals nearly defeated West Milwaukee at north Stadium on a cold October afternoon. The game, and various activities were interesting but a close scoring. Contest could have been more exciting if King had won. After the game students competed in toilet paper contests and partying. The dance on Saturday was held at Marquette's Brooks' Memorial Union. This was the best part of Homecoming according to many students, even though the D.J. was replaced by Woodron Cain.

Girls Swim Dives Into Competition

King's girl swimmers, still working to establish themselves as a competitive team in the strong suburban conference, moved closer to that goal this season with some stellar individual performances by Senior Washington transfer, Jill Sundquist, her ninth grade sister, Britt Sundquist, relay swimmer Brigid Callahan, co-captains Amy Schuster and Jeanne Krawczyk, and Allison Haack. Jill Sundquist Qualified for Conference Finals for the 500 yd. freestyle with her best time of 6:03, as did Britt Sundquist in the 100 yd. breaststroke and 200 yd. individual medley, and the 200 yd. medley relay team of Kim Ollermann, Bridgid Callahan, Britt Sundquist, and Amy Schuster. Most valuable swimmer of 1983 was Jill Sundquist while the most improved trophy was awarded to junior, Bonnie Nowak.

WINTER

Varsity Basketball 84 Division Champs

This years varsity basketball team up to this point has a 14 and 0 record. Undoubtedly they will finish the season without a loss. Leaders of the blue division in the suburban conference, the Generals are listed number two in the rankings of area high schools. The team is surprising everyone because early predictions pointed to Racine Horlick as the conference champs. However, the mighty Generals have displayed power against every opponent, Some games have been close. But a victory was the end result. The entire team and even conference opponents believe Rufus King will go on to state competition for the 3rd year in a row.

The first string consists of Hoyt Mahaley, Van Mayes, Doug Lewis, Joe McGowen, and Michael Conners. Junior Al Cooper has proven to be a dominant scoring threat off the bench. Guards John Stebbins and George Weineman also provided added guard strength in a support role. This years team mixes speed and floor sense along with sound defense and a positive winning attitude. Coach Gordon has developed a disoplined team that knows how successful they can be. Anything less than a state championship would be unfortunate, the potential is there. The Milwaukee Sentinal sees King and Cudahay meeting in the "Big" game to determine the final outcome. Cudahay is the gold division leader in the suburban conference. Listed below are some selected quotes about our team. These were taken from various sources, local and state wide. "The team has a nice blend of balanced scoring combined with a persistent defense." "Hoyt Mahaley has to be the number one or two "big man" at his position in the state."

"Michael Conners has all the tools." "Scouts and recruiters have been present at many games. Hoyt, Van, and Michael all have received." Our J.V. team although having only a 500 record will move several players up to varsity next year. Guards Van Johnson and Dan Finn are good prospects along with leading scorers, forward Mo Fanning, and Mike Beamon.

The freshman team has had an extremely successful season with 10 wins and 2 losses.

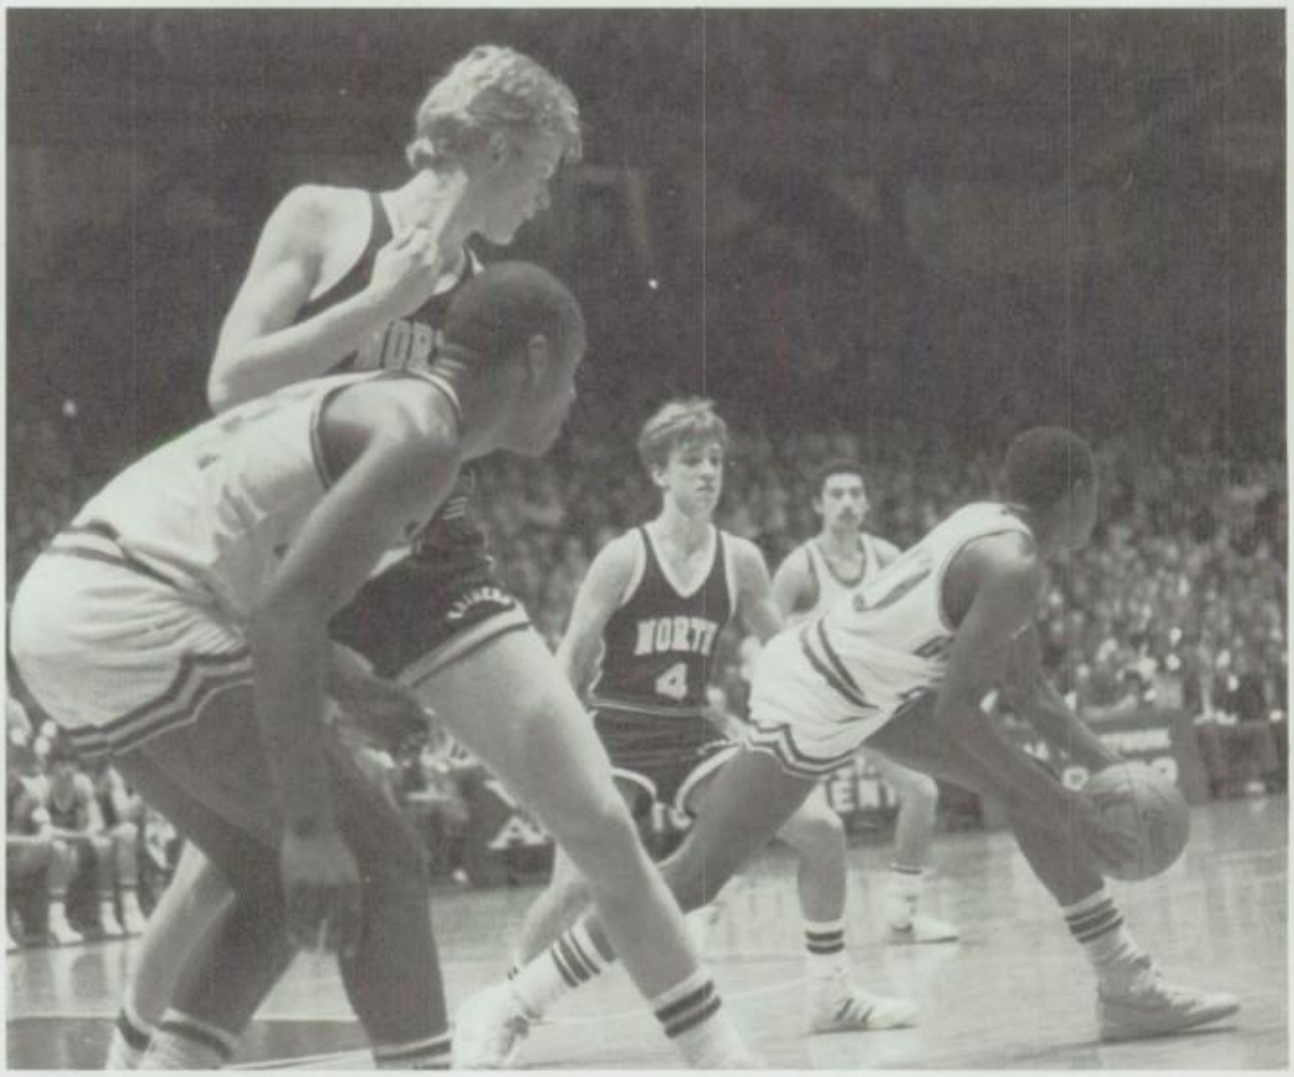
King Takes 1984 State Championship!



And we were happy when they won the Suburban Conference!!

Little did we know what was to come.

One weekend we snuffed out Brown Deer and Cedarburg in regionals — the first round of the WIAA State Basketball Tournament.

Of course we went on to take sectionals, defeating both Nicolet and Port Washington the following weekend. Realization hit the stands and fans poured onto the Grafton gym floor despite the announcer's "Would the fans please return to their seats for the presentation of awards!!". The Generals were actually GOING TO STATE!

The team zoomed up to Madison, packed the King side of the field house for three nights, and returned to Milwaukee with an enormous, shiny WIAA Class A State Basketball Championship Trophy.

The Generals first defeated Sheboygan North's Raiders 70 to 59 in a fast game full of the General's characteristic defense skills. King led by a narrow margin almost all the way through the game, keeping fans on the edges of their seats. The Generals pulled away to a solid win in the fourth quarter thanks to concentration, defense and free throw after free throw that the Raiders forfeited to the Generals.

Friday the King attendance office had 420 absences.

King fans turned out in full force for Friday night's game against Milwaukee North's Blue Devils, packing even the second balcony of the field house. The game was even harder, faster and more gut wrenching for fans than Thursday's and once again King's superb defense outdid the offense of the enemy. The Generals established leads as great as 7 and 9 points throughout the game only to have the Blue Devils tighten up the score. The Generals finally pulled away in the third quarter and took the game 60-53.

Then came Saturday night. Janesville-Craig. The Generals' control, speed and stamina so ingrained in Coach Gordon's players by his rigorous, demanding training enabled them to seize the lead and never yeild it. They stormed over Janesville-Craig's Cougars and took the Championship game 80-72 in a game makred by the General's stellar defense that had impressed sports writers and startled other teams all along.

The tremendous school support helped the team greatly but according to guard John Stebbins, " . . . the fact that we had failed in the last three years when we should have won really inspired us. — plus the nine seniors wanted to go out in style."

So the Generals, with a 24-0 record, are the best Class A basketball team in the state.

Monday there was a smile on every face in school. An assembly was called and the team mounted the stage from down the center aisle to Queen's, "We are the Champions."

Various and sundry guests including Milwaukee Public Schools Superintendent Lee R. McMurrin spoke praising the team, coaches and fans. Coaches Gordon, Nash, Gallagher and Goodwin spoke praising each member of the team individually, the team as a whole add the fans' ardent support. Their anecdotes about this team's past four years sent the audience up for grabs . . .

Every player had a few words of thanks for coaches, teammates, parents and fans.

After 1½ hours of mad cheering, Dr. McMurrin declared the remainder of the day a holiday for King.

King takes the jump shot..

Girl's Basketball, Offensively Aggressive

This years Girl's Varsity basketball team has become very on offense and improved greatly on defense. Seniors, Wendy Davis and Sheila Hughes are the leading scorers. Sheila also leads in rebounds. The toughest teams faced this season were Racine Case and Waukesha North. King however has improved greatly from last season with help from Denita Lee and Tatia Ali, a senior guard and forward respectively.

The J.V. a hard working young team, the majority of the girls are in the 9th grade. Always wanting to do better. Did not have a winning season-due only to their inexperience-had a lot of desire and dedication to the sport. Played hard in every game, never gave up, and had some close games. The majority of these girls should play together 3 or 4 years, that's when we will start having winning seasons.

Volleyball On The Rise

Girls Volleyball at King is on the rise. Team numbers were larger this past year, and for the first time, King had its own competing Freshmen team.

Varsity played an excellent game,and had one of the better serving teams as well as a tough defense. Three of the starters were four year veterans: Wendy Davis, Chris Stelzer and Maria Williams. All the girls contributed highly to the success of the program.

Bowling With The Chumps

Rufus King's Bowling team is an intramural sport for any student wishing to compete against one another in an organized league. Coach Ray Kroll is in charge of fifty bowlers who participate every Friday at Red Carpet Lanes East.

Bowlers with the highest average this year are Jon Seidl, Marti Benson and Jim Gehrke. Each year the bowling teams in the league have been increasing. Coach Kroll keeps accurate records and posts averages and standings weekly.

Getting Stronger

The 1983-84 Varsity Wrestling team, with the careful guidance of Coach West, had one of its best seasons in years. The team was comprised of 2 seniors, 3 juniors, 1 sophomore, and 4 freshmen. This year has marked the first time that many of these enthusiastic young men had ever tried organized wrestling as a sport. Nearly the entire team will return next year with high hopes of a winning season. Strong performances were given by T. Izard, D. Kroening, D. Izard, T. Cole, L. Rushing, and S. Hoefler. Special regards are given to seniors Dave Dzick (Capt.) and Tom Paisley, both helping the underclassmen greatly.

King's Golf Team Makes Par

Coach Blatnek produced a competitive team made up of mainly juniors and seniors. Low scores were continuously turned in by Scott Kaiserling, John Erdtmann, Craig Wallen, and Anant Galande. The team competed on the Milw. County courses such as Browndeer, Dretzka, and Currie. Although King finished with a better than 500 record, Whitefish Bay and Shorewood provided stiff competition. This years team will have a little difficulty replacing the seniors who graduated. Other returning golfers hopefully will fill the void. Returning letterman are-Anant Galande, John Erdtmann, and Paul Matthews.

Swinging With The Tennis Team

Even though unseasonably hot and cold weather, it proved extremely helpful to the team. For the first time the team had an assistant coach, Gary Hach, working loyally by the side of coach John Knopp. The team ended the season with a 2 and 6 record. However, as a result of the Suburban Conferance and W.I.A.A. Sub-Sectional Tournaments, the team ended its overall season with a very respectable finish.

The team will await the new arrival of smooth tennis courts! Yes, it is inevitable that after several centuries of rugged, patch-work, inhumane courts, Rufus King will have six new tennis courts, of its very own, in the near future-inspiring and producing more team victory.

Soccer Players Gain Respect

King's Boy's-Soccer team finished fourth in the suburban conference with a 8, 1, and 2 record. Destroying teams like Juneau, Racine Park, and Riverside. Outstanding players were Tom Reep, Dan Baldwin, Peter Balestrieri, and Dewey Lewandowski. Dan Baldwin, Jason Balestrieri, and Peter Balestrieri were named to the all conference team. Although the team is losing it's coach to M.A.T.C. next year, the team should still be sound because of returning lettermen. Young players coming up from the Fresh, Soph, team will add valuable support for the Generals. Only three players from this years team will be lost because of graduation.

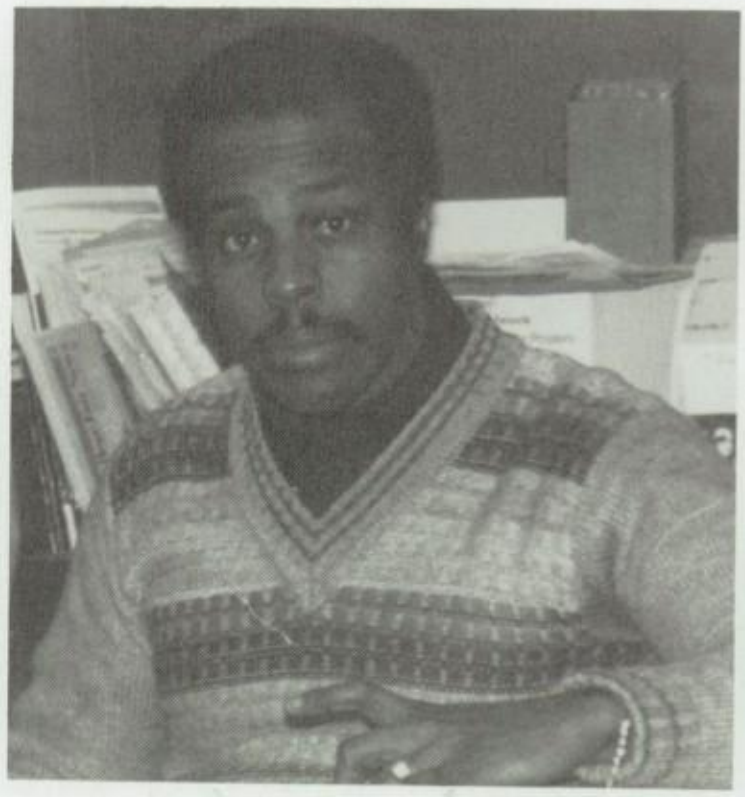
It's A Ball Raising A Racket

The boys Tennis team is really on the upswing! According to Coach Minor, last year's season was one of the best ever. Some of the finest players will be returning again for the 1984 season, such as Jeff Conta and David Johson. Chris Rochon, who also played well, is the team Captain. The team spent last spring trying to perfect their doubles combinations. They feel that, they will be able to meet their toughest competitor, Shorewood. Because of increased enrollment at King, Coach Minor and players hope for a stronger and bigger team next season.



Smile . . . Coach Minor.

Boy's Track Team–"Olympic Caliber"

King's 1982-83 boy's track team was outstanding, Coach Gallant said, "There won't be another team like this for a long time." Led by champion sprinter Robert Hackett, whose awards and honors are to numerous to mention, King's track team made it to state competition in the 100, 200 and 800 relay's. Team members J. Jackson, V. Gray, R. Campbell, R. Hackett, and R. Ramsey, M. Newble, and L. Reid comprised the class B State Champions. The 880 relay team set a class B record and placed 3rd in class A. L. Reid placed 4th in the low hurdles in state. Our featured star R. Hackett is shown in the photos below. Robert now is U.W. Madison's Varsity Sprinter.

Girls Track On The Go

The girls track team had another good year. Interest was high and the girls have a lot of talent. Track takes a lot of hard work and dedication and this team put forth a lot of effort, time and dedication and crossing the finish line first on many occasions.

This is a young team and the future looks very promising. All of the girls who were on the team were able to participate on the junior varsity or varsity level thus providing a nucleus for years to come. The 400 meter relay team did an outstanding job - they were always among the top finishers.

The team once again had a qualifier for the state track meet in Madison, Wisconsin.

King's Sluggers Have A Shining Season

This year, the General's varsity team, under the direction of Coach Lee, posted another winning season. Led by six seniors-Joe Kuhlman, Dan Serebin, Guy Merton, Steve Gill, Eddy Rutledge and Dave Laures, the team showed good defensive power and boasted Dan Serebin as "All Conference Catcher" in the suburban conference. Brought up from the JV squad were Jon Schultz and Kalvin Rabideaux, who provided both outstanding offensive and defensive talents to the team. Other outstanding players include infielders Kyle Rabideaux, John Barton, and Dewey Lewandowski; all of whom will be seniors this season. The team is looking forward to a strong squad this season and hopes to obtain many new talents from the JV squad.

Girls Fresh-Soph Basketball Team Plays Big

The 1983-84 girls fresh-soph basketball eam, although their 4 win-8 loss record oesn't reflect it, had an outstanding ear. Led by Co-Captains Dawn Fisher nd Nancy Hernandez, has developed nto one of the best Fresh-Soph teams at ing in recent years. With the hard work nd unity, they have shown this year, and ombining this unit with the 6 freshmen n this years J.V. and one on the Varsity won't be long before the King Girls Bas- etball program will be one of the most ominating in the Suburban Conference.

A Sport For Swingers

There was still snow on ground when the Girls Varsity Softball team began practicing last spring. Under the guidance and spiritual direction of Mr. Raymond Kroll, these dedicated players established a third place winning record in their conference. Some of the competition came from such teams as Vincent, Tech and West Division. With the help of veterans Wendy Davis, Denise Silverman, Brenda Suderland and Janell Hempler, the team had a great season, and is looking forward to playing in 1984.

King Students Invade Spain

Last spring, Hilary Hyslop, Brenna Kirviskey and Stephanie Wiesen spent two weeks in Spain as a part of the Intercultural Student Experiences (ISE) program. Their stay included visits to Toledo, Ronda, Sevilla, Granada, and a six-day family stay in Madrid. The Spanish language presented a challenge at first, but soon the three were speaking like natives. They were able to enjoy such traditional activities as flamenco dancing and bullfights. But, like all tourists, they went shopping, sightseeing, and even took a dip in the Mediterranean!

The students agree that the most important part of the trip was having the chance to compare the Spanish and American cultures. The three left Spain with fond memories of new experiences and new friends.

Campclub Goes Camping

"Now sit right back and you'll hear a tale, a tale of a faithful ship . . . ". So rings the summer of '83' motto of the sixteen adventurists who took part in the 2nd annual Rufus King Wilderness experience canoeing in Canada's Boundary Waters.

Our fearless leaders included the experienced Mr. Glasenapp and his new wife Katie, Mr. Dolence and his friend Jane and Mr. and Mrs. Elliot. The mighty "sailing crew" included Mr. Hagen and his son Crispen, Dave Ruiz, Todd Sauve, Bonnie and Charles Elliot, Angie McLaughlin, Tari Evans and the two 1982 Canada Alumnae Charles Auer and Spikey Edwards.

Our adventure began with a Charter Bus trip to Gunflint Lodge in Grand Marais, Minnesota. After a hearty breakfast, basic canoeing and camping instructions and "a wish for luck" we were on our way. In time we worked out the daily dilemmas of: how to canoe in a straight direction rather than in a circle, how to make cheesecake and cornbread over a campfire, how to out-smart those ever-loving, ever-biting mosquitos at the Thunderbox and how to appreciate the experiences of strong headwinds and long portages of rocky terrain.

We became experts at setting up and breaking camp and we found some perfect campsites, some which could have passed as "uncharted desert isles"! Our days were spent canoeing, swimming, fishing and just plain relaxing in the summer sunshine.

Campers relieved to sit down.

Sunday morning sleep in.

National Honor Society Builds Character

This year's NHS is not only much larger in size, but more powerful in its duties. The society's officers, L. Haak, K. Matson, S. Freskos and E. Higgins; have continued with remarkable results with the traditional tutoring service. However, the members do not only tutor their fellow classmates, but they take time to do outside services. The annual dance at Pleasant View school was performed on Valentine's Day with a round of applause and gratitude, from the students for the NHS' time and kindness. Definitely, the NHS has proved once again to be a society full of service, leadership, and character.

1983-84 AFS Student

AFS

Rufus King has participated in the A.F.S. program for the last 4 years. Each year a student from another country has visited the United States and spent time with an American family. This year Bright Boateng is in our country and attending our school and staying with the Robert Thomas family. Bright will be in this country until the summer month of July, then return to Ghana.

Quoted from Bright, "I did not really believe the year will end so soon. It bothers me alot when it comes to thinking of how I am going to leave my wonderful school with its nice people and my very good teachers behind, maybe forever.

But I hope since the world is round, we shall meet or hear from each other somewhere along the globe. Thank You all for being so nice to me, and "Be nice to the people you meet on your way upstairs for they are the same people you meet on your way downstairs."

"Inherit The Wind"

Drama at Rufus King took a twist toward the serious this fall as "Inherit the Wind" by Jerome Lawrence and Robert E. Lee came to life under the direction of David T. Mackinson. Set in a rural southern town in 1925, the play is the story of the famous Scopes' Trial in which a young school teacher was accused of teaching the evolutionary theory in the classroom.

The King company carried off this tense courtroom drama affecting the audience as the Scopes' Trial rocked the nation. The 43 member cast included: Eric Hughes as Henry Drummond, Willie Cannon as Matthew Harrison Brady, John Lenti as the school teacher, Butram Cates, and Phil Trobaugh as the cynnical reporter, E.K. Hornbeck.

Other leads were Brenna Kriviskey, Bruce Patterson, Alicia Pugh, Megan Moynihan and Tom French as the judge. Audience reaction was favorable, and reactions from the Milwaukee County High School Theater Festival reviewers were generally pleasing.

"The challenge of presenting "Inherit the Wind" is threefold and the King company rises to these challenges . . ."

King Playhouse Presents . . .

Dr. Hoeveler's Honors British Authors students perked up their first semester with dramatic performances of two old favorites in the little theatre. Mark Neubauer, Meri Neuhaus and Scott Thom staged a reading of Shakespeare's "King Lear"; Carl Rank and Jason Walkowiak performed a scene from their modern version of "Beowulf".

A Brazil Nut

Senior Bonnie Wasserman spent 2nd semester of last year and the first semester of 1983 in Brazil. She was able to live with two families in Sao Paulo through the American Field Service Exchange Program. Her school days began at :30 AM and ended at 12:30. According to Bonnie the subjects were very difficult, incluing Bio - Genetics. No one spoke English in Bonnie's adopted family, so she had to quickly learn the Portuguese language. The home and family were warm and friendly to her. The culture outside of the cities were very poor and primitive. Bonnie spent time however, at the beaches in Rio De Janerio. The south was more European, with soccer games, night life, and excellent food. Bonnie plans on returning to see friends and families and to enjoy the customs she became familiar with.

Excellence Continues In Decathlon

Our decathlon team again scored beyond coach James Krolls furthest expectations. "We're just elated, We knew we were good but we didn't anticipate finishing third in the nation!" The team received 13 medals, including three gold. This year there will be a Wisconsin decathlon to pick members for national competition. Coaches James Kroll and Donna Cassillo are confident a return trip to Los Angeles is eminent for 1984. Olympics are not just for the physical or athletic individuals. Academics can also be strenuous with the thrill of victory and the agony of defeat.

"King Wins Wisconsin Decathlon"

Our Academic Decathlon team earned the right to represent Wisconsin in the International Academic Decathlon Competition held in Los Angeles this April. The team comprised of Anante Galande, Walter Oglesby, Marian Larkin, Kristin Reed, Lauri Haak, Stephanie Carpenter, Phil Trobaugh, and Neal Patrick, narrowly defeated Milwaukee competitor Shorewood. Coached by Ms. Cassillo and Mr. James Kroll, team members and alternates will travel to Los Angeles, and try to better last years impressive victory.

A Tradition Leaves

This spring our own North Stadium will feel the crunch of final defeat. The wrecking crews are already at work tearing down an institution, which has stood for many many years. Because of structural damage which is to costly to repair. The old Stadium will be replaced by new stands. In some ways its sad to see this proud athletic structure disappear. The memories and traditions run deep. For the new facilities, the blue prints show a soccer field, tennis courts, and an updated track.

One last look at the press box.

Just before the final whistle.

Empty stands signify the impending doom.

Where the cheering fans once stood.

Say good-bye to old North Stadium.

The picture shows why it must go.

King Color Guards Bring Out The Blue And Gold

The 1983-84 Color Guard was led by Drum Majorette Jenny O'Conner, Rifle Capt. Lisa Ksobiech and Baton Capt. Stephanie Burnell. The number of students participating on the Color Guard increased from 15 in 82-83 to over 30 including alternates this year. Their performances included home and away games, our Homecoming Parade, Christmas Parade, The Band Revue and a special performance at Quad Graphics. Preparing for the Biennial All-City Music Festival and the 2nd annual City of Festival Parade in June will close out another successful year.

Try to keep in Touch

To my devoted friends Brenda & Sulun,
Well we've been through the last 4 years together. Fighting for the ceramic room, with Dick Drovin and his elephant nose. We Spent Homecoming in the rain as ashtray face and gigglie. I just want to tell you guys (girls) that you've been my best friends and I'm sure it will stay that way. These years have been great even though we all hated being here. Now Sulun, if you wanted that pizza that bad we could of bought a small one to go. And for you brenda if you have to hit cars make it something cheaper than a mercedes.
Thanks for always being there. Love ya always
Friends, Audra

Thanx for all the gre... time's [illegible] wheel twirle... It's been a great four years. Ill never forget any of it

To My Dedicated Staff -
you put forth a tremendous effort to produce this year's book. I am extremely proud of you all. Working on the yearbook requires mal devotion and allegiance, which often goes un-noticed by the majority of people. always keep in mind that what you created can never be taken away from you, and you may be proud of your achievement.

Dave,
what can I say? We've been friends for a long time. I can honestly tell you that you are the ONLY good thing I got out of that relationship with what's his fag. I've always appreciated your advice, opinions and the way you helped me through the rough stuff & convinced me to 'take it light'. You are a very special friend, person, other and I'll miss you lots next year. There won't ever be another Dave.

I know we'll see ya this summer & we'll have a great time. I really hope you don't believe I use ya to get rides places. When I get my car & license in September (if you're still here) I'll drive you around & take you out. Sound O.K.?

You will keep in touch. You have my number & you have a great life, always.

love always,
Heather

for my brother,
I love you!
all my love,
With all my heart - you can count on me.
always be there for you.
I'll always love,

To Little Dave ... well your not so little any more. I remember the first time I met you. I thought you were a little smart Ass. But I didn't take long for me to think otherwise. You really turned out to be a fine young man and I'm proud to know you. Thanks for all the good times in the summers and I wish you all the good luck in the world. Have a good summer and school. Don't wait to go Back to Best wishes Jim Jaynes

Dave,

Whats up guy? It's been a long time since I greeked you. Hey one day maybe you can have your interior locker decorator do my room one day! It's been a great year and we have become closer friends. You are going to have to show me how to play darts with expertise you possess. What about that hand technique We had much fun playing for Mark (BART) Schneider. but that's the way you and I have to survive in the summer and you at the lake so I don't college life. Catch the fishing. I'll see you at college life. Catch You are crazy. It's a crazy world. I know this crazy to say "bye" yet. Have a great later dude!

but you're a nice person
anyway. I've really enjoyed
experiencing this wonderful
class with you. You always made
me feel smart because you always
did worse than me. Have a neato

Hey Dave,
This year's very, very interesting. I hope that you enjoyed it. Wrestling fun a unique
experience. (So was football) Thanks for being a "cool dude." Have fun this summer
and in the future. (Don't forget to come back and visit us!) Don't leave us
stranded during wrestling season. "Yes" "Yes, we're man enough!" (ha-ha-ha)

Dave,
How were your past
4 years of school? Glad you're
out, huh? I'm glad for ya too.
Have a great time in college - gonna'
wrestle? Now you can come back and
kill us - come see us some time.
Have a great time and good luck
in the real world.

So you're big, use your size to your advantage, and like to squirt waterbottles at unwary passers-by. Sounds like a good life to me.

I really have no idea what you'll be up to this fall — but whatever you do, I'm sure there'll always be some kind of party brewing. Have the greatest life possible!

Dear David,

to me you have been a really great friend. I wish that we could have been closer, because you're a really special guy.

I think that we should have gone out more, but I don't think that you really liked to, but anyway...

Thank you for being a friend, for being sure to hold my purse, letting me sit at your lunch-table, and being an all-around fun (sometimes gross!) friend.

Take care! Please keep in touch. Let's stay be friends this time next year too.

I love you lots,

Becky

P.S. I hope that this doesn't offend your masculinity

P.S.S. Don't you wish you could eat my flesh.

P.S.S.S. wait for me after school today !!! (at your locker)

Dave, It was a pleasure having you as a friend for the past 4 years. I would have gotten together at some parties but the summer is over. Stay in touch. 228-9631

Dave,
I'm glad that I got to meet you, you're a really nice person. Too bad you're a senior and you'll be leaving. I but you're really depressed. I hope that I see you this summer sometime. Good luck at getting a job (if you don't already have one). ~~Well~~ Well I can't think of much more to say except have a good summer. If you and Heather ever make plans to go to the lake or something feel free to call (sure, Invite yourself Amy) if you want.

Well large person,
It been a hell of
a 4 years. We have
been together from victory
and defeat. You've been
a heck of a guy. Good luck
weird I do it if you
decent there to bend
the before during practice. A did, but I was so bored.
You could be the best knownit

Dave,
I'm glad we got
to know one another this
year. It wasn't too bad not
really it is your last one!
even it was for the first
semester. And you even stuck
it out in Bussey's class! what
a guy!! well take it easy
and take care. I wish you all the
luck in the world. Love,

Dave,
My little brother?
I'm really glad
you made it!
I love

(your little sister?)

Dave,

You're a very nice guy - I wish I'd gotten to know you before this year. Although doing experiments with you was rather hazardous in Physics, I had a lot of fun and enjoyed getting to know you. Good luck and success in your after-H.S. career!

Love!
Jenny

Dave,
Well, I got to move and
you ~~go~~ got to go to college
Good luck. It was nice knowing
you.

Dave,
I'll always remember the fantastic times we had in winter - What a time it all had to end. You've really got a lot going for you - far too much for me to expound on here. But I'll try. Good looks, a great sense of humor... See? It all sounds redundant.

Give me a call sometime
Have a wonderful life!
Love Always,
Lynnie Carpenter

Dave,

Can you believe it, our high school days are over - almost? This has been an extremely interesting four years. It is too bad we didn't share any classes together this past year. I hope we don't lose contact now that we are out of school. We have had some good times and I hope the future holds more. Take care of yourself and enjoy your Summer. Good Luck in the future.

Love,
Linda
